## **Lice Information**

A few reports of head lice have been made at Blumenort School. We would like to remind students not to share toques and hats at school to help prevent passing it along. It is also recommended to check your child for head lice every day for two weeks. Learn about head lice, the recommended treatments, and how to prevent the spread of head lice to others. Information is available on the South Eastman Health website at: <http://www.sehealth.mb.ca>
