April 2021 Newsletter

Grade 7&8 Return to Full-Time

This past week, we informed our families that our Grade 7 & 8 students would be returning to full-time classes on Monday, April 5th. In order to make this transition, we needed to create a Grade 7/8 Homeroom with Mr. Dyck. On behalf of our entire Grade 7&8 staff, we would like to thank everyone, especially those moving into the new homeroom, for all of your understanding. It was a difficult task but we are optimistic that this will work very well for everyone. Lastly, a reminder that if any of our Grade 7 & 8 students still have a chromebook at home, they will need to be returned as soon as possible.

Kindergarten Registration 2021-2022

Kindergarten Registration for the 2021-2022 school year is continuing! Parents/Guardians are encouraged to register their children as soon as possible. Early registration will assist our school in planning for fall entry. Please check out our school and divisional websites for more info.

Earth Day

Earth Day is set for April 22, 2021. Last year, we were unable to complete our community cleanup, however this year we are beginning to make plans for a safe event. Stay tuned for more information after Spring Break.

Administrative Professionals Day

Administrative Professionals Day is on Wednesday, April 28, 2021. Thank you to Mrs. Benitez & Mrs. Reimer for all that you do for our school. It is greatly appreciated!

2021-2022 Class Lists

The process for creating our 2021-2022 class lists is set to begin. There are a number of factors that need to be considered when developing these lists such as achievement, behaviour, group dynamics, learning styles, etc. We believe that our parents are active partners in their child's education and thus we are asking you to forward information you feel is important for us to know about your child. Although we are not always able to guarantee all of your requests, your input is valuable. Please take a few moments with your child to complete the following form by Friday, April 30 and please fill out a form for each of your children. Here is the link to the form... <https://forms.gle/nB1nt8efA7VmjV9q8>

Burn Awareness Poster Contest

In February, we reminded everyone about Burn Awareness Week - a week dedicated to reminding and educating all age groups about burn and fire safety. As in the past, the Manitoba Firefighters' Burn Fund and the Office of the Fire Commissioner will be sponsoring a "Burn Awareness Week Poster Contest" for Kids in Grades 5-8. Our school website contains all the information you need to get started, but in the meantime, if you would like to see previous winners' posters, please click on the following link: http://www.firecomm.gov.mb.ca/safety_baw.html. Deadline for entries to be returned to our Main Office is April 8!

The Lines of Communication

Our annual September newsletter emphasizes the importance of keeping the lines of communication between our families and our school constantly open. Today, I would like to remind you that if you have any concerns about your child, please have that initial conversation with your child's teacher. They will be willing to discuss those concerns, eliminate any misunderstandings and keep the connection between our supportive families and our amazing staff, strong and healthy!
