

Drawing Contest Form

Name: _____ Age: _____

Guardian Email: _____

Phone number: _____ School: _____

Town: _____

How did you hear about this contest? _____

Choose one of the safety topics below, draw a picture to describe it (use the other side of this page) and you can enter to win an iPad! Have fun and remember that being on a farm means being safe!

1. Livestock Safety

Calves can be cute, but their moms can be mean if you get too close. Always have a parent or adult with you if you want to get close to a calf or other farm animal.

2. Grain Safety

You can sink into grain and get trapped, so never climb or play in grain bins, grain trucks, grain carts or piles of grain.

3. Farm Equipment

Never play in or around farm equipment like tractors, trucks, trailers or combines, whether they are running or not. These machines have moving parts that can hurt you if you get too close. They are also big and loud, and the driver may not be able to see or hear you if you are nearby.

4. Chemical Safety

Farm chemicals can hurt you if you touch or eat them. Stay away from containers with warning signs and ask your parents before eating or drinking strange things.

When you're done, hand in your drawing to the school or organization where you received this form or mail it to:

SAFE Work Manitoba

16-363 Broadway

Winnipeg, MB

R3C 3N9
