Bengals' Update 21 - June 14, 2023

PAC Family Picnic Updates

- **PICNIC DAY PIZZA LUNCH** - You can already pre-order full pizzas or pizza slices for June 23rd using the LUNCHBOX site. Please place your pizza orders by **SUNDAY, JUNE 18 @ 11am.** Remember to order under your OLDEST CHILD's name to ensure smooth distribution.
- **STUDENT SIGN-OUTS** - We would like to remind our families that if your child will be heading home following our Picnic Day Lunch, to please let our office know.

Student Accounts/Outstanding Fees

All fees for this year have been charged to your child's account. Please take a look and if necessary make a payment on Parent Portal or send cash or cheque to the office. Fees owing and credit balances carry over to the next school year. The exception to making payment now is for next year's grade 7 and 8 students who have been charged for the September Red Rock Outdoor Ed. trip.

Grade 7&8 Middle Years Learning Opportunities (MYLO)

Just over one year ago, we informed everyone that our students heading into Grade 7&8, would be participating in our own Middle Years Learning Opportunities (MYLO), instead of taking Industrial Arts/Tech Ed. at Mitchell Middle. We are happy to let you know today that after consulting with our families, students, staff and PAC, we will be continuing MYLO once again in the fall. We will admit that this first year, like any first year, has been one of learning for us, which will ultimately lead to a better program lineup for next year. Stay tuned in September for more info.

Grade 7&8 Band

We are beyond excited to let everyone know that the Grade 7&8 Band Program will be making a return to Blumenort School. Under the direction of Mrs. Sawatzky, our students will once again have the opportunity during the regular school day to be a part of this exciting adventure!

Summer Reading Program

The Blumenort School Learning Commons is pleased to bring back the Summer Reading Program. In the past, this program was open to our Grade 4-7 students. This year, in addition to the current Grade 4-7 students, we are offering this opportunity to students in Grade 8 that have younger siblings in the school. This is to ensure that the books that are taken home by a Grade 8 student will come back in September with a sibling that attends Blumenort School. Any students interested in participating, must have a consent form signed by a parent/guardian. For more information and to pick up a consent form, please see Mrs. Friesen in the Learning Commons.

HSD Transportation Department

If you are planning to move during the summer, please contact the Transportation Dept. office. They are open all summer. It is always easier if they know before they send the bus drivers their packages of student lists so that new families and stops can be easily added. The Transportation Dept. can be reached at 204-320-2347.

The petitioners have specified their desire for the recitation of the Lord's Prayer and the reading of a Bible passage or story from the Bible. As the petition bears the signatures of parents/guardians representing more than 60 students in the school, the Board of Trustees has authorized religious exercises as specified above. These exercises are to be held before the official instructional day in a designated common area of the school.

Petition for Religious Instruction (2023-24)

Hanover School Division Board of Trustees has received a petition requesting that religious instruction be held at Blumenort School during the 2023-24 school year. The petitioners have specified their desire for the Discovery Time Program offered by Child Evangelism Fellowship. This instruction is to be offered by volunteers during designated half-hour per week classes.

Parents/Guardians who did not sign the submitted petitions are eligible to join at any time by delivering a signed note to the school office. The school principal will forward all received documentation to the HSD Administration Office. Only children whose parents/guardians signed the petition or have subsequently joined via permission note may participate in the exercises and instruction as described above.

Religious exercises and religious instruction in public schools may only be implemented by school boards in a manner consistent with the Public Schools Act and Provincial Guidelines, after petition by parents/guardians. Petitions must be presented to the board on an annual basis in advance of the next school year. Original petitions must be submitted to the Hanover School Division Administrative Office by April 30th.
