FINAL THOUGHTS ON SELF-EFFICACY by DR. JEN

Self-Efficacy...

- Believe you can and you will.
- Whether you think you can or think you can't, you are right.
- Believe that you can succeed at something and chances are, you will.
- Have control over the events that affect your life.
- Trust in your ability to manage different situations.
- Have confidence in your motivation, skills and the course of action needed to complete a goal.

Next week we'll introduce to you our Umbrella Skill for March, which is Purpose.

World's Finest Chocolate Almond Fundraiser - February 5th to March 4th

A reminder for everyone that we have just one week remaining in our annual, school-wide chocolate almond fundraiser! If you would rather make a donation instead of selling chocolates, please contact our main office by March 4th.

Kindergarten Registration for the 2024-2025 School Year

Kindergarten Registration for the 2024-2025 school year is now open. Parents and caregivers are encouraged to register their children in January for September entry, as this will assist schools in planning and scheduling. Early registration also provides the opportunity to participate in upcoming orientation events in spring. To be eligible for September registration (2024-25 school year), children must be five years of age on or before December 31, 2024. Students are required to attend the school within the catchment area where they reside, which ensures balanced enrollment across the division. For more information on school catchment areas and how to begin the online registration, please check out...
